Hiyaa Scrin  
nice HUD and why  
do you need AvTrooper ?

oh thats the same HUD  
who made it ? you or mark ^^

samous wrote on Thu, 16 October 2008 16:39nice door skin, could you release it? ive been  
looking for A GOOD ONE FOR AGES!

It's considered as an advantage skin, much like a lot other skins that Scrin usually has. It can also  
be considered a wallhack, seeing as how you can see through something you're not supposed to.  
You would be considered a cheater by a lot if you were to use it.

And for the huds, you can find some at

<http://ren.game-maps.net/index.php?action=category&id=156>

ermm thx bud <33

but i can't see my name pls put it over the health bar .. thx  
and can you make the healthbar (the red+white lines) with these "Hamburg flag"?

<http://www.saarbierfreund.de/Hausbrauereien/wappen/hamburg-wappen.gif>

you see :S

Nice :)but could you make my name in darkred? and a bit distance between the "Hamburg flag" and the health bar

thx bud <33  
ánd do you like my bar?
