I'm more or less on the exact opposite angle in the revolutionary path.

Congrats. :V

Since I really can't tell if anyone else understood besides Berkut, today is my birthday. I am now 21. As such, my birthday presents appear to have transitioned over from the fun and fancy to the practical and necessary. What did I get this year? A 7 cu ft chest freezer. Pics will be shared when it arrives. Then you can all be jealous of my ample storage space brimful of frozen goods.

Thanks for the well wishes everybody. As per Canada's suggestion I am indeed having my first cold one here. No sign of the freezer yet. Hopefully it will arrive soon.
