I'm surprised that nobody told Crimson happy birthday.
Well, it's her birthday, and if any of you can remember from last year, my birthday happens to be on the same day.

Anyways, Happy Birthday, Crimson.

There's nothing really better for me to do. Today, I had school, had some coffee with my dad, and then I'm going to go to Texas Roadhouse for dinner. That's pretty much it though. Oh yea, and cake.

Other than that, it's just free time.

Better than my 14th.

Then again I was cursed with being born on the 26th of December.

Thanks! I worked about 18 hours at my store on Friday. It was, incidentally, my busiest Friday night ever. I made a shitload of money.

So long as these forums are around, I am around, because if I weren't around, they wouldn't be paid for.
