You should really scale down that mechanical hand. It's a lot bigger than her real one and looks silly.

to big can be a hack cant it? if the arm is to big and sticks out of a wall easier or something where it should not show can be a hack right?

Added to Game-Maps.NET at last.

http://ren.game-maps.net/index.php?action=file&id=1288

Sorry it took so long, been busy.
