So one thing I've decided to do this year, is look for everything I'm thankful for. You don't have to be a Christian or the like, but, try to find things that you're actually thankful for this year. Alot of people take what's in their life for granted, which is lame. You don't necessarily have to list everything you're thankful for here, but it's always nice to think of everything you're thankful to have, even if you just keep it, or some of it, to yourself.

You never know how good life is until you lose it, y'know?

I'd have to disagree with Altzan about it being the best fps, but seeing how I like renegade also and its the only fps I have on the PC, I'm also thankful for renegade, electricity, technology, etc. and of course, Life.
