When I log into Westwood online, no servers show up. This just started today, and this wasn't happening earlier today, it just happened. It is NOT because I entered a taken username or incorrect password. I am ABSOLUTELY COMPLETELY SURE that both are mine. Can someone tell me what to do? I already tried reinstalling it.

It said:

Welcome to XCC Online!

223 players (WC: 1, RG: 137) are online
