Here is mine.

If anyone would like one to be put on my site do the following
Post your minilogo and your site url.

And when I'm done with my site i will post a link in this topic.

That's a nice button, but if you're willing to try and improve it, I think the transitions take too long.

Other than that, good job

sorry for dbl post.

sorry it took so long for me to answer you.

i would make it faster but than people wouldn't be able to read it that fast, now that is not gonna be the main button i will be working on one soon so that is just there for now.
