Trance you say? look for Above & Beyond.

The best mix imo listen to "A State of Trance" on friday on DI-FM or download from atrance wordpress.

Always the best songs played by Worlds best DJ Armin van Buuren.'

I just download the yearmix last weekend.. some songs just make the hair on your back go stand up. Trance is emotion.

Currently I'm listening mostly to this Remix:

Kevin Rudolf & Lil Wayne - Let It Rock (Filthy Dukes Remix)
YouTube Video.
