C: "That mobile rocket launcher's as good as new, Sir!"

R: "The new '6 lock' projectile aiming assistance should improve the homing capacity of its rockets by 57 %!"

Aaaaah, it's good to know you have capable soldiers in your squadron. Lieutenant Goztow was pleased.

G: "Gentlemen, good work! I will put your positive input forward in my battle report to General Crimson!"

Weeks past by, then months. A soldier's life is well filled and both forgot about this little passage. Until today.

Today, I'm glad to announce that 2 new moderators have been chosen to help keep our beloved Renegade forums an enjoyable place for everyone. They have been chosen for their experience, intelligence, activity and never ending input in our community.

Congratulations to:

\* CarrierII who becomes a general moderator

\* reborn who becomes a moderator of the mod forum

They will be briefed soon and I'm convinced they'll do a fine job!

A reminder for all of you: we all contribute to making this place enjoyable for all of us. There's no intention to making this place a "bootcamp". We're all for liberty of speech but within respect for other people's opinions. You can find our rules of conduct here.

You can always use the "report" button if you think a post someone made is out of line. It'll help us spot these situations quicker.

Awesome choices Goztow.

Enjoy your comparatively large power over the userbase Carrier and Reborn :]

Question: Why is Warranto still a global mod? He hasn't posted or visited Renforums in over two months.

(That position would be well filled by Canadacdn!)

It's up to Crimson to remove (or add) moderators. This has been discussed in a more private place before.

Thanks for the warm welcome everyone.

I'm pretty pleased I'm now able to moderate the mod forum. For me, that particular forum is like a sanctuary, a place where people can express their creativity, share, contribute and most importantly learn.

It's nice to be able to continue steering it in that direction.

@ andr3w282 : That post is clearly brilliant!

@ SSnipe : Heck yes. No more spam. Yay!

@ Canadacdn : Nah, not you, yet... Plecos are on the way out!

@ u6792 : Hmm... \*evil laughter\*

Ok, now I'm going to have to be responsible, aren't I...

I will do my best to keep things under more control here, I'm sure we can all get along.
