I couldn't find an introduction thread, so here it is. Glad to be your newest memembr. I tried to sign up some time ago and couldn't for whatever reason. the signup seemed to fail whenever I tried. Anyway that's in the past and I managed to make it work this time. Glad to be here and I'll see you in the game.

I think maybe around a year. I first tried a torrent copy which I played online then I thought it well worth buying. The whole C+C collection, (13 games) was I think \$30, a great deal. I'm glad you like my sig, that's the best one I've made so far.

@ anr3w282. mostly your right. I jump around a bit, but I like n00bstories.
