I'm running FDS + BR, heres what i get:
<+Aucun|S> [BR] Initializing Westwood Online Mode
<+Aucun|S> [BR] Logging onto USA Server
<+Aucun|S> [BR] Creating game channel...
<+Aucun|S> [BR] Channel created OK
<+Aucun|S> [BR] Loading level C&C_Field.mix
<+Aucun|S> [BR] Host: Teams have been remixed.
<+Aucun|S> [BR] Level loaded OK
<+Aucun|S> [BR] Host: Extra Defences Enabled.
<+Aucun|S> [BR] Warning: The FDS has not responded to the last two status requests, it may have gone offline.

The BR bot stops connecting to the FDS after like 2 mins

Most likely your remote admin settings are incorrect, the readme.txt explains how to set them properly.
