Hey all.

I'd just like to give a reminder that the Mod DB voting for 'Mod of the Year' ends on February 2nd.

If you haven't voted in Phase 2 yet (note! Different from phase 1 voting! Make sure you have voted), then here is a list of mods to vote for. Remember that you can vote for as many mods as you want.

Below is the voting link and my recommendations!

<http://www.moddb.com/events/2008-mod-of-the-year-awards/top100>

Renegade X: Upcoming Mod for Unreal Tournament 3

Red Alert: A Path Beyond: Released, Indie Game

C&C Reborn: Released, Indie Game

Red Alert 2: Apocalypse Rising: Upcoming, Indie Game

Battle for Dune: Upcoming, Indie Game

Above I have listed all of the C&C-related FPS mods that have made it into the Top 100 "Phase 2" category. Remember that these outstanding mods are working from our own free time for free, to bring you their updates and releases. Voting is the just a matter of one button, and anyone could do it - spread the word!

And thanks for supporting your friendly neighborhood C&C FPS mods.
