We are proud to announce that we are now hosting a Lineage 2 Gracia Part Two server for a maximum of 1000 players simultaneously.

Lineage 2 is a huge MMORPG game which can be downloaded for free.

If you are curious what this game is all about then i suggest that you visit the official Lineage 2 homepage at: <http://www.lineage2.com/>

You can play on our server in just 5 simple steps:

- 1- Download the game
- 2- Install the game
- 3- Update the game
- 4- Make a minor change in windows' "hosts" file
- 5- Play the game

Read the following topic on our forums to get to know more about our server and how to play: <http://forums.mp-gaming.com/index.php?showtopic=6701>

If you require any help or run into a problem you can always try and catch me on [irc.mp-gaming.com](http://irc.mp-gaming.com) in channel #mp-lineage2

I might be able to help you out

Thanks for reading and hopefully i will see you on the server sometime

It's a really nice game if you're into MMORPG's but don't like the cartoonish feel of some of the other MMO's that are targeted at younger audiences.
