With TT replacing BHS (did I hear right?), I'm assuming the BHS forums are disappearing from RenForums? or will they just be kept on archival access only? :/

Also, TT is replacing RenGuard right? (lol)

I don't think they will be removed. They possibly will be closed, that's not up to me.

TT's patch will replace Renguard. Well, "replace", BIATCH kind of replaced it already since RG is not very useful with *cheat name removed*around. TT will replace BIATCH.

As I recall, TT will continue patching as they see fit. I suspect at least two more patches following "1.038".

EDIT: Nice nonetheless
