It is a Super bad idea to leave a game before it ends, trust me. You lose points BIGTIME, if you see your team is going to loss, just fight and wait it out, the points you lose are like 4 lost games worth. It flushes all your wins down the tubes, but then again, points aren't everything.

Why, as soon as people see they are lossing badly they start to empty out, I've seen it where everyone leaves exept like 1 person, I guess it's kind of funny but dame you loss way to many points to even consider it??
