So now, you decide to release your stuff again on this forum, while you said this? ...

Quote:I ve Removed all my skins and posts from REN forums
Due to their negativity regarding my skins and posts anyway.
If u would like they are available elsewhere like RENBATTLE.NET

Bunch a dam Hypocrites if U ask me.
They think what they want, But I dont have to listen to it LMAO
I give ema name and it doesnt matter.
Anyhow, I will continue to play the way I always have and make skins,
They just wont get to see em or use .
I found some were examining my photobucket site and you tube sites
and as far as I am concerned, they werent invited.
so to piss them off I removed stuff. If they were that efficient at hunting down cheats, they might
find themselves the targets LMAO

Not that I care though. Looks good I guess, but I'm not a fan of such skins. I prefer to stay towards
Nod Red, and GDI Yellow.

Fine,

If you are going to be an arrogant prick towards me, I'll do the same little kid...

And this:

And you are the best skinner ever? Don't make me laugh, because you aren't.

Now, you are an "Disabled American Veteran". Well, according to the Renbattle forum, you aren't, but you got a disease. CAN we even believe that, because you have been lying the entire time on the internetz! You also seem to fail at spelling...
