Uhhh filename for what?  
The Map?  
The graphics (which u have to download)

Or something else?

It is cc\_conc3.dds in Always2.dat, however it is the same texture as the tunnel floor textures. I did a quick scribble over it to show you:

Although I'm now gonna texture that too =P

ah lol, you use same painting way to find the right textures!! (but i use yellow)

does not everyone use this way to find the files

i use bright red^^

and when i search more textures like a whole map

i use every color with other stripes on itXD
