Can someone provide me with a German version of always.dat? I've been looking for a while and can't find a German version of ren to torrent for this file.. =[

Thanks!

Why dont you just download the Scud Storm mod???

The strings are partly translated but the EVA sounds are still the original German ones

Always.dat is nearly 600 MB. I'm afraid not a lot of people want to start uploading that...

You could also try to use Renegade Ex instead of XCC Mixer. Maybe the sounds wont get all distorted with this??
