Hi, my name is Jehovah, some of you may know me as Allah or Buddha.I believe that I am perfect at all aspects of life, but especially Renegade.I am currently ranked number 154 in the world, I'm not number one because of bad lag, caused by the lack of decent communications between the afterlife and Earth.My strengths are:1)Being able to cause every member of the enemy team die straight away2)Being able to drive a tank forwards whilst shooting backwards3)Being able to shoot pictures in the walls with my rifle when the graphics are set to high.4)Being able to use a snper rifle.Weaknesses:NONE, I am the almighty, don't dare suggest it.If you think you deserve to be in MY clan, then kill yourself and I'll see you to arrange it when you arrive up here.
