Nodbugger and I took a vacation to Florida some many years ago. I didn't seem like there was much fun to be had in Orlando. It's so focused on the theme parks. If you go the western coast of Florida though right near Tampa Bay things get awesome. We stayed in a little city called Madeira Beach that had an amazing board walk. I'd love to go back there some day... Visit... I want to say it was "Gator's" which was a nice little bar where we set a record on an Area 51 arcade machine

Dude, Orlando sucks. Also there's apparently gonna be a hurricane that might hit around the southeast.

But, if you want, just visit all the amusement parks. Maybe go to one of the beaches. Other than that, there really isn't much to do that you can't do in other cities anyway.

Yeah, it's pretty much just the amusement parks in Orlando. Enjoy your \$8+ drinks!
