Excuse me for posting this.

But does anyone have the time and motivation to manage tiberium-planet.com? Its well known and it has a lot of daily visitors.

However i really really dont have the time to manage it.

Looking forward to any reply of the community.

And money as well, it seems, I hope you can find a host. Fansites closing is never a good sign.

its not about hosting. i forgot to pay actually.

I paid it 2 days ago again, i wonder why its still down.

however i need people to manage its content. Not to host it.

Thank you anyway.
