Sorry Crysis, but yours just didn't cut it for me

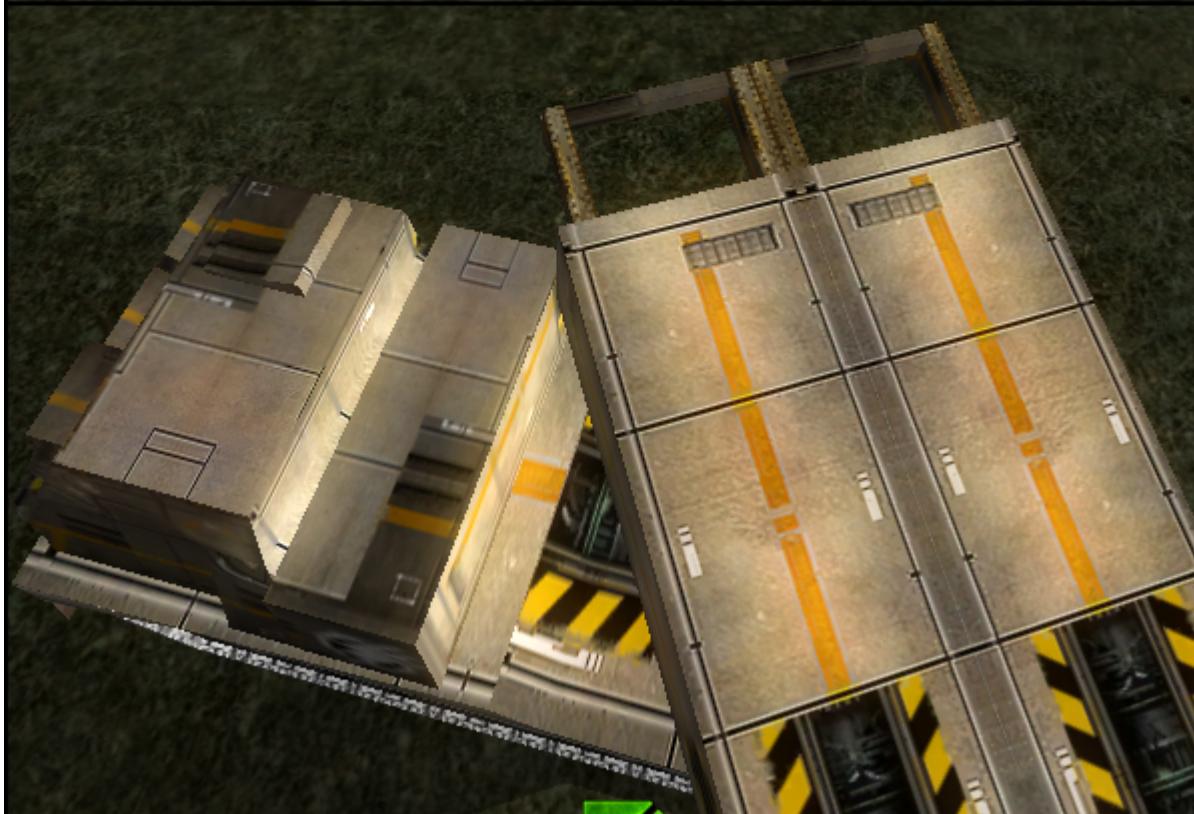

Enjoy

this is way awesome! The textures are very evenly distributed out and no sour spots! Great job really!

There's quite a few differences if you look hard enough.  
And I swear, half the reason I still play Renegade is because of these epic skins. keep up the good work

EDIT: You should have 1 post will ALL the C&C 3 skins so people don't have to go on a scavenger hunt to find them.

Love it!

Downloaded.
