I agree, let's make it the black house, because that would then be ok.

...the sad thing is, I bet that thought has run through people's minds as a serious thought.

Cheating is cheating. The fact you used it somewhere proves you have access to them and are ready and willing to use them again.

That's like admitting to killing someone but saying it's ok because you killed them in the sewer and

no one likes living in the sewer.

Learn to write. Your first post does in no way indicate you do not hold this view, but merely wish to indicate others do, and you find this view stupid. (I certainly can't get that from the first post, can anyone else?)

So is this a racist song then?

I see a red door and I want it painted black
No colors anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes
I see a line of cars and theyre all painted black
With flowers and my love both never to come back
I see people turn their heads and quickly look away
Like a new born baby it just happens evry day
I look inside myself and see my heart is black
I see my red door and it has been painted black
Maybe then Ill fade away and not have to face the facts
Its not easy facin up when your whole world is black
