Harassment/Racism/Flaming: Harassment of other members, racism, or any hate speech in general will not be tolerated. Moderators will be the judge of what is intolerable, and what is not. Also, please refrain from flaming other members. If you really must, keep it inside of the Hot Issues forum.

Requesting ban.

I'm pretty sure you did, because my post count was 25 when you made that post. And I don't think baker has a liking for me, more than he dislikes you for being an idiot. Oh wait, that's hate speech.

Yeah, but according to Goztow, Dutch copyright law doesn't apply to Dutch people so I got banned.

Quote:ma1kel - Racism. Post is here. Warned in a PM by me. (Second post in topic can be
ignored, just clearing up after what would have been a flame fest)
1 week ban continuous spam (19/04/09)
3 weeks ban same thing (27/04/09)
permanent ban posted the same bug abuse 3 times, after it got removed each time (20/05/09 -
Goztow)

Also used the account Goztoe, and Iran.

Permanent bans are ... well ... permanent.
