Before Crytek UK bought Free Radical they were working on a TimeSplitters 4  
Crytek has put this on hold and maybe it wont be continued.

I thought I'd clicked the wrong bookmark there when I saw this, I'm a co-admin of  
timesplitters4.net

I've already signed this, it's up at 4000 odd now.

Then again do these petitions work?

I hope so. If enough people want a game they make it.
