Well, I'm pretty much done with Renegade. This means I'll be moving on from retextures and stuff too. I've been really getting into an MMORPG called Rappelz, as well as CoD4 and HoN. Also, I'm going overseas in mid-November to visit my fiancée for 3 months and touring Europe... But anyway!

For a limited period of time I'm taking requests for 5 personal skins, for 5 random people who post in this thread.

They are completely personal skins, made only for the respective winners. To be in the draw, just post a baibai post in this thread as well as something to let me know you're in the draw.

I'll post the finished screenshots of the 5 skins in this thread, and PM the file to the respective winners. It's up to the winners of the skins if they want them to be publically released anywhere, but credit goes to me please!

Good luck!

Nice idea Dreg!

Thogh I'm not reayl into skinning renegade, I must say that I found most of your skins to be of good quality and looking good as well. Nothing too over the top and such
Too bad you're leaving though

I've always wanted a vehicle skin pack related to The KOSs2 community (<http://www.thekoss2.org/>). This would at least include our logo and not be too different from the standard skins (at least keep a dark red / gold colour scheme).

Thanks for the nice input you gave us in the mod release forum and have fun with whatever you do next . And don't forget: "they always come back to Renegade" .

Mabinogi is pretty cool, but my father, fiancée and cousins play Rappelz too so I get free items for my Assassin, in exchange for items for their chars that I can't use.

Also, thank you all for your warm goodbyes =]
I'll still try to stick around the forums though.

Although I stick to the original Renegade and don't use any skins at all, I have to say you made some of the best I've seen here.

Good luck with life, bye.

By leaving I meant Renegade skinning and playing the actual game. I do like the chat around the forums though.

Also, I want this to reach at least 50 posts before I pick the winners; I've only had 3 or 4 entries

And now that your going...
and the people that mod post crap....

.....

Sorry Renegade, but my time is short.

Anyways, cya around the forums (haven't run renegade.exe in 8 weeks anyways).
Good luck with your future endeavors, and don't count me in the drawing.
