We should probably have some organization in our topics.

So I recommend:

```
[list][*]Map(s): Map name![*]Help: Question? [*]Tutorial: Tutorial Name [*]Mod: Description or Title[/list:u]Maybe that will help keep this section clean!
```

I would think that rules will not be enforced unless the Admins have problems keeping the forums together with free reign.

And everyone already does that...

"Hey my new map: Map name"

"Check my new map"

"etc."
