Mine went to Galaxies, although I thought about NWN. Reasoning.. Galaxies is what I'm most interested in. Sure, Generals will be great but I already know kinda what to expect.. same with the FPS games. NWN and Galaxies interest me more because I don't yet know exactly what they will be like.Now.. if it where which game I was most looking forward to or think will be the best.. then I might vote differently.[ May 07, 2002: Message edited by: kubi0461 ]

Mine went to Doom 3. I've been waiting for that game ever since I finished off the final Doom 2 boss, and that was a loooong time ago.
