Make up a roster of those who you think will show up, just like Jelly had to while their forums were down yesterday. You've got 20 slots, sure you can come up with enough names, from which at least like 6-7 will show up at the match.

I'm not sure if Mr.Mom is up for organising for the CW.cc team like in previous rounds or even lead the team during the match. Perhaps you could contact him, otherwise you could just assign a different captain.

You can still make up a cw.cc roster of 20 players. There's a channel on TS to remind the players. You can help spoony by reminding the players to show up too, blue!
