STARRING the 1st edition of the topic of the year awards!

2 prizes will be awarded by a jury to be selected by me, myself and I: one TOPIC OF THE YEAR 2009 and one POST OF THE YEAR 2009 award!

There will be two categories:
* Renedrama
* Other

Conditions: the topic or post must have been created in 2009. A motivation is also welcome. Any nomination will be accepted, beit funny or serious. All nominations must be posted in here by the end of 2009! You can nominate as many topics and posts as wanted.

I'll ask Crimson to move the winning T.O.T.Y.09 to the HOF (though I'm not sure if she will do it).

I'll give the good example and start with nominating a first topic:

"The lawlsuit" topic, posted by Queenhunter Category: Renedrama. Motivation: one of the funniest topics of the year, IMO, real Renedrama at its best! It's related to the forums and its moderators, not really to Renegade (though indirectly it is, of course).

So get the nominations going! Don't forget: any sort of post or topic can be nominated, just be sure to give a bit of motivation.

JsxKeule - what do u think?

This is the most recent thread that came to mind, Renegadeforums at it's best in some post, mother fuckers that can't speak english, plenty of flaming, some big pink text, people being called "faggots"... to sum it up with one picture:

This is what happens when people laugh about DDoS and Renforums.

Please provide a link. EWD, please pick one or make a "finest selection". I also think you may want to maybe find a single or couple of posts in those topic that have really marked you.

Yeah the Lawsuit or the Jsxkeule topic.

Still have to laugh at this srry goztow ->

"The second thing is Mr goztoe has broken your rules and also has broken the law by releasing personal and private information regarding me on your site /network."

This topic is a bit funny ->

Sorry, I meant to get round to doing this, thanks Goztow!

I'm all for the Queen rhunter topic.

Can we add a "Post of the year"? And is the bit where Troop bashed Ontairo (IRRC), Canada and then some guy made a an account in the name of the mayor of Ontario and defended it in 2008? Please say no...

http://www.renegadeforums.com/index.php?t=msg&goto=406907&rid=20224& srch=pointfix#msg_406907 Sums up the anti-pointfix reactions pretty well, either nominate that post or all pointfix threads

i was a huge fan of the salesman invasion on the roofgnomes topic
or whatever topic it was in before all the stuff got deleted or moved

that was some good stuff right there that some mod felt the need to destroy

by the way, that zeratul topic is awesome as well

actually wanted to vote that too.

Let me explain, when a domain name expires mostly it gets captured when it expires his quarantaine status.

That guy didnt knew what he was saying...

I can because i work at an ISP and got my own company on it too.

Im serving 26000 customers daily, with 2 other colleges.
