Hi!

Every single time i launch renegade with renguard to play online (WOL) it signs in with my old (bad) account.. that i choosen autologin on... howdo i remove the autologin or logout so i can play on my new account?

is this renguard failure or XWIS?

How did you fixed it ? I have the same problem. renguard keeps login in on my old account which doesn't work anymore in-game (error: nickname deleted)
