All the PT icons are done so here and i fixed the spelling for those of you who were annoyed by it.  
Tried to do better with scaling on NOD PT icons.

Comments...

many pictures

I do like the custom pictures, but the text really turns me off. Making the text a little more fancy would be nice. Also, the icons with blue text don't really stand out very well. It's hard to read. It's a good start though.

They are looking good, but try to add a better border to it and no text :/

I use this icons atm:

Toggle Spoiler

i just want to show the border...  
It would look better with a nice border or not?

In the original topic i added text to the pictures only, not the PT icons themselves and spelled a  
few things wrong. i was just to lazy to make new pictures.
