As my first act in office I urge Renegade collectors to bid on this mint condition Renegade soundtrack.

Backstory: I won it for being awesome at this game, but now I need money for a diamond chain and crack cocaine addiction.

And I might just topple your new lordship and governance at any time I feel is appropriate. And listen to the Renegade soundtrack via XCC mixer whilst I do it.

I vehemently reject the charges of having committed crimes against humanity. Every decision I made was for the betterment of my people. Now God will decide whether he wishes to welcome me home or if his work on this earth through me is unfinished.
