i got XBL, and codes can be bought all around the internet (if its safe or not i dont know). Also some stores sell XBL codes. Still cheaper if you buy them on the Xbox itself, atleast in my case.

I play BF:BC2, SplinterCell Conviction, MW2 etc. shooters

I got my xbox from hongkong for a really cheap price.

As for the xbox live, you would be required to pay £40 at stores in my area for a year of xbox live gold.

lol what? If you're paranoid about giving card details to Microsoft then you should probably take off that tinfoil hat there captain. Most places that sell xbox live codes for cheaper than microsoft or

retail stores are probably scams themselves so I'd be careful.
