someone should make a star wars mod with star wars skins and redo the defences to mounted laser and exc. I think this would be a great game idea I mean jedi's fight snipers would be funny.

quote:Originally posted by cheezyman:lol, do you cut people in half or throw them 50 ft in the air ETC in renegade? NO!Well, then make a Renegade mod for Jedi Knight. But seriously those are just kewl fx, they don't really make the game too good. The strategic aspect of Renegade makes it very good.
