you would probably go to the website of that server
this is just a gathering place

CarrierII pwnz all ?

The administration finds stating the obvious does not constitute an original post.

There are so many people like this running around shouting "CAN I BE MOD" and they want it just for the feeling of power and don't care what being a moderator entails. And you're from my

country as well, what a shame.

For 10 euros a month you can rent a server with us and be admin on it even.

We do not give (much) support on the servers we rent out
