I want your thoughts: What's your favorite Monty Python line to broadcast to everyone (F2) during the game? I love doing this when you get a couple of idiots flaming each other over something stupid ie. Cheater! Stole my tank! Hotwire had a flamethrower - musta cheated! etc.mine is: Leave at once you silly English Kniggets or I shall taunt you a second time!

ok you know when you get killed by a noob and he gets so proud he has to stand on your body and shoot you in the head until you disappear now think of that skit from monty python when the guys buying a parakeet and he says "i think this parakeets dead" and the shop keeper was saying it wasn't so the guy started to bang the parakeet against the desk and screamed hello its face and the bird just stood stiff [ June 07, 2002, 23:10: Message edited by: ZaneofNod2002 ]

Picture this: You've lost your barracks, war factory, all your buildings but a useless power plant, and the Nod Flame tanks are rushing for the final kill. And while the engineers futilely zap the MCT and the others are hopelessly grenading the tanks... and, oh wait, there goes a BH setting off a Nuke beacon somewhere... You break into a rendition of "Always Look on the Bright Side of Life"
