I started gmax/LevelEdit'ing again but I cannot find the big texture pack I used to use. It's not on the Westwood FTP as far as I can see, and Google failed me. It's also gone from Game Maps.

Anyone know where I can find it?

Or perhaps I should just extract all of the dds/tga from always.dat?

Added it, found it in my downloads folder xD

Or is this not the one you are looking for?
