When i was gaming and went to grab a cookie i figured it would be fun to have a cookies website..

A game cookie was born

Hope you like the site,

greetz zunnie

I updated the advertisement logo at the top right lol

Funny

Hehe

Now to figure out how to make the COOKIE clickable lol

edit: made it clickable lol

and there was me getting excited thinking this website was selling game-themed cookies.

you have misled me good sir.

zunnie. would you like me to create you a proper lay-out?

i would do it for free in exchange for a small advertising banner.
