Thanks to Goztow and Thekoss2.org, we're happy to announce that Weekend Lobby Wars are here to stay!

Teamspeak featuring Automatic Team Changer: [ts3.thekoss2.org](http://ts3.thekoss2.org)

These games use standard AOW rules. Remix teams ON, Ped Beacon OFF. All we ask is that you join us on teamspeak, where each map you will be automatically placed into the proper channel depending on what team you're on. This allows each team to communicate and strategize to their full potential.

We will use a standard popular map rotation, which will include Mesa2, a duplicate of the original Mesa but with bug fixes. Please download here: <http://www.megaupload.com/?d=EJ7REF38>

Upcoming Events, all starting @ 3 PM EST, 8 PM UK:

\*THIS WEEKEND\*

Sat Dec 11th - Game On!

Sun Dec 12th game is cancelled do to Community War

\*NEXT WEEKEND\*

Sat Dec 18th - Game On!

Sun Dec 19th - Game On!

Averaging 10vs10, the games have went great so far. So come join in and lets make this a permanent, long lasting RENNY-vent.

Quick update, when participating in these lobby wars it is essential that your TeamSpeak 3 nickname matches your in-game nickname for the automatic team changer to work.

Hope to see you all there!

lol

I had some fun today. I had to quit halfway (sorry guys) but next time hope I will have more time.

edit: and yes, it was nice chatting once again with folks from renegade.

These games were fun; despite the lack of people attending.

best moments of today

- 1) me not being able to blow c4s on ref
  - 2) hynpos wanting to quit islands... then we came back and won
-

LOL - That was quite possibly the geekiest ref hop, yet you fuck it up!

And, I'll never be so hasty to skip Islands. Well done to HaTe for getting their refinery.

I'd also like to congratulate ZeLL for growing a pair of balls and participating in the lobby war

---

whilst the X Factor was on, and it was the Final. Your mother would be relieved to know her son isn't gay.

WE all had like 3000+ creds. I think we would have managed without our ref

The best part was definitely when i thought that Spooky had no c4s left, so i let him come right up to my arty, only to figure out he hadn't used any c4s at all. Lol.
