Just a reminder and heads up that the games this Sunday, 26th of December are on. We probably will not play this Saturday (on Christmas). Usual time: 8 PM GMT (UK time) = 3 PM Whiskey time.

Teamspeak featuring Automatic Team Changer: [ts3.thekoss2.org](http://ts3.thekoss2.org)

Please make sure to use the same nick for both Renegade and teamspeak, in order for the automatic team-changer to work.

These games use standard AOW rules. Remix teams ON, Ped Beacon OFF. All we ask is that you join us on teamspeak, where each map you will be automatically placed into the proper channel depending on what team you're on. This allows each team to communicate and strategize to their full potential.

We will use a standard popular map rotation, which will include Mesa2, a duplicate of the original Mesa but with bug fixes. Please download here: <http://www.megaupload.com/?d=EJ7REF38>

Last week we had 26 players show up. I hope we can match this count this Sunday . See you this weekend!

i doubt much will show up on christmas day lol, but we're letting the event continue instead of cancelling it, just in case some do show up. Sunday might be good.
