Just a reminder that the games this weekend are on. We've been having great turnouts and some really exciting games, so come and join in on the fun!

The lobby war was average. The games afterward were excellent, except Under.

We weren't planning too, it got the stage where we had a conversation for about thirty five minutes, and decided to play some more games. You need to get some sort of instant messaging application where we can invite you along when these things happen.
