I played a 25 v 25 today, that is still common. 30 v 30 not so much, although Jelly are having a special occassion for spoonplex right now and their was 63 players in the server when I left.

Depends upon what time you play at. At this time you should be able to find 20 v 20s quite easily

If you mean a list of servers then...

There's this: <http://strike-team.net/xwis/onlinelist/?server=rg>

There's this one also: <http://xwis.org/dr/index.php?server=rgse>

There is also this list, which I really like

<http://www.blackintel.org/renegade/xwiswol>

Also, welcome back

EDIT: Do note that these lists do not list players that use Direct Connect (atleast afaik they don't)
