Yes I'm bring it back after so long of saying i was doing it and getting no where i am finaly getting it.

Here is an update on it so far.

There will only be one Car but it will have diff skins for it.

Now what I am looking for now is.
Texture Artist
Mapper
Modeler
Boner, I'm trying to learn it.
Renegade Tools Pro

The more people i can get to help the faster i can get a beta, then full.

Video is coming soon of the vehicle that i got now and what it looks like in game.

And yes i would love it if you could help me out with that.

what St0rm Racing is its, a map of a race track with a st0rm all around you can't see anything far away, it's like a death race, you will come across a lot of obstacles that will test your driving skills.
