I'm trying to make PT's where you can only buy infra in one and vehs in the other and helis in a diff one and techs and engs in a diff one.

So lets say you go into the bar and you go into the pt well i want it so you can only see infra and nothing else.

This is impossible as far as I know. The only way to make this work is a pokable PT in the barracks that turns you into the character etc...
