I only looked (did not test) and I'd say that should work.

it has been tested, and it does work. he isn't asking for help but for comments. it's intentionally in the mod release forum.

i'm sure you looking over it is appreciated.

Ah ok. I figured he ment comments on the code/solution of the bug.

TBH I thought it had to be in the Mod Forum instead of Mod Release when I read it aswell.
