z_ChangeTeamPowerup

Its a powerup that changes your team when you pick it up. Maybe use one of the Upgrade powerup in editor for it.
I didnt make a script for a zone like that YET, i'll make one now but
it won't be available until 4.0

I cant remember what more scripts i added to this but it includes the Change Team on Zone Entry too now

I'll update this file when i add new scripts for people.. They will
also be available in scripts 4.0 when it is ready.
