iRANianthought this topic would be about Azazel's return.

Why would I make a topic about returning, when I haven't 'returned' ?

HaTeHe's back too

Negative.

StarBuzzThere is this totally new sniper guy at St0rm that suddenly showed up a week ago and "became a regular" and always snipes with a 500. He is "pretty good" too getting the K/D rank points. Funny thing: he writes/chats just like Azazel lol and he kinda reminds me of him for this reason.

are you guys tracking him? how do you know he is back?

I haven't played in st0rm or any other server for about 9/10months, possibly longer.

HaTeDangeRos or something along those lines = Azazel

He knew that I caught on to who he was though, so he's probably using a different nick with the same ip range.

I can assure you that I am no longer playing Renegade under any name, if this 'DangerRos' character is pretending to be me, then ignore him. I have no reason to play Renegade any longer.

Just wanted to clear that up.

I'll dig up the pm screen shot conversations when i have time later. I think I should still have them hopefully.

Quote:Negative.

Oh, so nobody is answering my posts then. Cool.

Ironic that you would just now come back to check the forums though, eh? Nobody trusts you dude..we all know you're a lying fuck. Proven drastically by the "I hate cheaters", meanwhile cheating every time you played

HAHAHAHAHAHAHAHAHAHAHA HEY LOOK EVERYONE, IT'S AZAZEL

Never thought you'd come back after your utterly HUMILIATING exile that had everyone laughing at you so hard it gave them spontaneous diarrhea. Luckily I already had diarrhea at the time so it wasn't an issue for me.

It's a video game I love how offended everybody is at all this....it's like he did something that affected the way you live your life. What a horrible person shame on you Azazel.

I've met plenty of people who were good guys who liked to cheat in video games. He's not one. I mean, he lied about it for god knows how long, meanwhile bitching out anyone who ever used cheats, meanwhile he was secretly using cheats and laughing at anyone who accused him. He's a dumbfuck, cheater or not.

Sounds like the story for 95% of all the people who have played Renegade.

P.S. I'm not being defensive.
