Anyone can send them. Do it by pressing F2 and typing this: /playername message

I find it annoying that even though the game automatically guesses the name for you, you still have to type the name out.

It does dissappear after you hit space, and you get a dedicated line for typing a msg to them....it looks like you are going to send a public or team message but it doesnt...try it you will see

Really? Well, I'll remember to try that sometime, although most of the times I've tried before the name disappeared and it became a team (or worse) a public message. It isn't pain in the neck annoying, since I type fairly fast anyhow.

you can also send them a beacon thru PM by using the secret
keystring:(*&\%(*)*%\%^\(\%* &#HGVBLOB&ITT^(R!P97YTB V*B^*then follow up with SPAM
SPAM SPAM SPAM SPAM SPAM

Scene: A cafe. One table is occupied by a group of Vikings with horned helmets on. A man and his wife enter. Man (Eric Idle): You sit here, dear. Wife (Graham Chapman in drag): All right. Man (to Waitress): Morning! Waitress (Terry Jones, in drag as a bit of a rat-bag): Morning! Man: Well, what've you got? Waitress: Well, there's egg and bacon; egg sausage and bacon; egg and spam; egg bacon and spam; egg bacon sausage and spam; spam bacon sausage and spam; spam egg spam spam bacon and spam; spam sausage spam spam bacon spam tomato and spam; Vikings (starting to chant): Spam spam spam spam... Waitress: ...spam spam spam egg and spam; spam spam spam spam spam baked beans spam spam spam... Vikings (singing): Spam! Lovely spam! Lovely spam! Waitress: ...or Lobster Thermidor au Crevette with a Mornay sauce served in a Provencale manner with shallots and aubergines garnished with truffle pate, brandy and with a fried egg on top and spam. Wife: Have you got anything without spam? Waitress: Well, there's spam egg sausage and spam, that's not got much spam in it. Wife: I don't want ANY spam! Man: Why can't she have egg bacon spam and sausage? Wife: THAT'S got spam in it! Man: Hasn't got as much spam in it as spam egg sausage and spam, has it? Vikings: Spam spam spam spam (crescendo through next few lines) Wife: Could you do the egg bacon spam and sausage without the spam then? Waitress: Urgghh! Wife: What do you mean 'Urgghh'? I don't like spam! Vikings: Lovely spam! Wonderful spam! Waitress: Shut up! Vikings: Lovely spam! Wonderful spam! Waitress: Shut up! (Vikings stop) Bloody Vikings! You can't have egg bacon spam and sausage without the spam. Wife (shrieks): I don't like spam! Man: Sshh, dear, don't cause a fuss. I'll have your spam. I love it. I'm having spam spam spam spam spam spam spam spam beaked beans spam spam spam and spam! Vikings (singing): Spam spam spam spam. Lovely spam! Wonderful spam! Waitress: Shut up!! Baked beans are off. Man: Well could I have her spam instead of the baked beans then? Waitress: You mean spam spam spam spam spam spam... (but it is too late and the Vikings drown her words) Vikings (singing elaborately): Spam spam spam spam. Lovely spam! Wonderful spam! Spam spa-a-a-a-am spam spa-a-a-a-a-am spam. Lovely spam! Lovely spam! Lovely spam! Lovely spam! Lovely spam! Spam spam spam spam!
