Hey guys,

Was looking through all my old crap i ever had saved on my pc and came across the old game C&C Renegade. thought damn i forgot about that game.

So just popping by and say hi to all you oldtimers out there.

Dont think many people here will remember hehe. think maybe zunnie still does and my old admins if their are still playing this game(from Amazon Server community i had back then).

So how are you guys all doing and how is C&C Renegade these days?
